A trio of beauties at Elcona Farms.

Please bring this catalog with you to the sale.

The females in this picture represent the Shorthorns at Hanson Heights Farms, owned by B. Hollis Hanson, Crawfordsville, Indiana. This grand Hoosier nursery, by the acquisition of the Sunset Farms' herd and its addition to already large holdings, has become one of the nation's largest herds of superior beef breeding stock.

Announcement

THIS is the second joint annual sales by Hanson Heights and Elcona.

The first was held at Elkhart on October 30, 1950, when more than 60 Shorthorns were sold to buyers from ten states. This year a consignment from the Garson Farms' herd has been added, which increases both the number of cattle and the variety of the blood lines to be offered.

Because the fall sale of the Indiana Shorthorn Breeders' Association is to be held at Indianapolis on October 30th, we decided to hold our joint sale there this year also, so that visitors may attend both events without extra travel. Indianapolis is centrally located, easily reached by all means of transportation, and it has ample hotel accommodations. Sale headquarters will be at the Claypool Hotel.

A banquet with entertainment will be held on Monday evening, following our sale, under the auspices of the Indiana Shorthorn Breeders' Association, with our cooperation. All breeders and friends of Shorthorns and all lovers of good livestock are cordially invited to attend this joint sale, the banquet in the evening, and the sale on the following day. More than a hundred good Shorthorns will be presented on the two days and we are confident their quality and ancestry will warrant the careful consideration of discriminating buyers.

As owners of the three herds joining in this sale, we want to express our appreciation to Bert Johnson, Jay Lyons, and Clem Ridgeway, managers of these enterprises, and the other staff members who have been working with them, for their efficient and faithful service throughout the year and the grand job they have done in getting the sale animals ready for your inspection.

General Information

LOCATION. The sale will be held at the Indiana State Fair Grounds at Indianapolis, in the draft horse barn located just east of the Arena. The cattle will be stalled in the same building and the sale room will be heated. The comfort of visitors will be insured in case of inclement weather. The Fair Grounds are located on East 38th Street. State Road No. 37 passes the east gate of the grounds.

SALE HEADQUARTERS—Sale headquarters will be at the Claypool Hotel in downtown Indianapolis, at the intersection of Illinois and West Washington Streets.

The sale will start promptly at 12:30 P.M., Central Standard Time, on Monday, October 29, 1951.

Lunch will be served on the grounds.

Those who wish to secure further information about the cattle in this sale, or regarding travel or hotel accommodations, should get in touch with Hal Longley, Sale Manager, 16 South Locust Street, Aurora, Illinois.

AUCTIONERS—C. D. (Pete) Swaffar and Earl Ray.

MAIL ORDERS—Those unable to be present, and who desire to do so, may send buying orders to any of the following men:

Hal Longley, The Shorthorn World, Aurora, Illinois

Ned Place, The Shorthorn World, Aurora, Illinois

C. K. Tomson, American Shorthorn Breeders' Association, Union Stock Yards, Chicago, Illinois

Lloyd Crouch, The Farmers Guide, Huntington, Indiana, or to the Auctioneers.

SALE MANAGER—Hal Longley, 16 South Locust Street, Aurora, Illinois.

All cattle sold in the 1950 Elcona-Hanson Heights Sale have proved profitable to their owners. The heifer at the right is H H F Butterfly B by Sunset Bounce. She was purchased by The Hickories, Pardeeville, Wisconsin at \$760. They had the thrill of winning grand championship at the 1951 Wisconsin State Fair on her.

Terms and Conditions

GUARANTEE—All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but cattle will be at buyers' risk as soon as bid off. Every precaution will be taken to see that animals arrive in sound and healthy condition.

TERMS—The terms of this sale are cash unless arrangements are made in advance with the owner. All settlements must be made with the clerk of the sale immediately at the conclusion of the auction and before the animals are removed.

HEALTH—All cattle in this sale have been tested for Bang's Disease within 30 days of the date of the sale. A 60 day Tuberculin retest will be allowed and all cattle are guaranteed to comply with the health regulations of any state into which they may go. Health certificates will be provided with each lot sold.

LIABILITY—The above guarantee and terms shall constitute a contract between the seller and buyer of each lot. Neither the clerk of the sale, nor the individual designated as Sale Manager assumes any liability, legal or otherwise. Where footnotes appear in this catalog they were furnished by the owners. We will not be responsible for any accidents that may occur, but will make every effort to provide for the comfort and safety of our guests.

INQUIRIES ABOUT CATTLE LISTED—The Sale manager will gladly answer, to the best of his ability, any question which may arise in the minds of prospective buyers concerning the breeding and quality of any animals listed in the catalog. Such correspondence should be addressed to Hal Longley, Sale Manager, 16 South Locust Street, Aurora, Illinois.

PLEASE NOTE—Several animals in this sale are in our 1951 Show herds. In such cases we will want to retain them for delivery following the International in early December. Announcements will be made on sale day.

THE SALE OF THE YEAR FOR CAREFUL BUYERS . . .

From three great herds comes an offering that will appeal to those who seek to build on the strongest possible foundations . . . Here indeed are Shorthorns that are right in TYPE, right in BREEDING and right in CONFORMATION . . . Here indeed are bulls and females that will work improvement wherever they go.

Don't forget that the Annual Fall Show and Sale of the Indiana Shorthorn Breeders' Association will be held in the same pavilion at the State Fair Grounds in Indianapolis on Tuesday, October 30th, the day following the Elcona-Hanson Heights-Garsons Sale. Approximately 120 head of outstanding Scotch Shorthorns will be sold in these two important sales.

Daughters of Imp. Craggleton Bounce and Broadfields Air Eagle in the Hanson Heights Herd. The bull in the pasture is Sunset Bounce 15th, now in service at Whitecroft Farms, Noblesville, Indiana.

Much Depends On WHERE You Buy

Although veteran breeders become very familiar with dependable sources of supply, through the mind of any newcomer to the cattle industry runs the question "I wonder if I am buying my seed stock from the right people?" It is a very important question because establishing a herd today calls for a liberal investment. The success of that investment will depend not alone on what you buy but very largely on where and from whom you buy.

As an outsider who has been familiar with the Elcona, Hanson Heights, and Garsons herds since they were established, I can express my own opinion without restraint. The owners are known to be among the most honorable men connected with the live-stock industry. The herds were founded within the memory of most present day breeders and it is common knowledge that only the best of females were selected. It is common knowledge also that the bulls that have been used rate among the best of the breed.

You will note that superlatives have been used sparingly in the descriptions in this catalog because the owners prefer to accept the judgment of the public as to the individuality and quality of these cattle. Having studied the sources of supply for good seed stock rather carefully over a period of a good many years, I realize that some places provide better buying opportunities and a greater measure of safety than others. I think that Elcona Farms, under the guidance of Mr. Sims, Hanson Heights Farms, under the guidance of Hollis Hanson, and Garsons Farms, under the guidance of Elmo Richey, are among the best.

HAL LONGLEY of The Shorthorn World.

Note the thickness of these Elcona females. Left to right: Elcona Rosie by Edellyn Campeon Mercury, Imp. HOW TO BE PERFECTLY SURE

First—Talk to any breeder who has visited Elcona, Hanson Heights or Garsons and he will tell you that three of the finest cow herds in existence are on these farms. He will also tell you that the herd bulls presently in service are siring calves that answer the requirements of the most exacting judges.

Second—Talk to any breeder who knows the owners of these herds and he will tell you that they are among the most highly respected persons in the Shorthorn industry.

Third—Talk to any breeder who has bought from these herds and he will tell you that these animals have been sure improvers.

Fourth—Study the breeding of the members of these herds and the methods used to insure the proper development and good health of each calf. You will agree immediately that there is a guarantee of performance in every animal you buy from Elcona, Hanson Heights and Garsons Farms.

NOTE—On the next ten pages of this catalog you will find the pictures and pedigrees of sires that are in service in the herds contributing to this sale. Study the records of these sires and note the similarity and strength of the bloodlines. This is not just another cattle auction. This is the sale of the year for buyers who want the right combination of top individuality and top ancestry.

Right—These sons of Imp. Cruggleton Bounce won first prize in the class for pair of bulls at the 1948 International. The bull at the left is Sunset Bounce, reserve champion at the same show and now one of the Hanson Heights' herd bulls.

Left—Cruggleton Bounce, one of the most famous imported sires ever to come from Scotland. Hanson Heights acquired him through the purchase of the entire Otis Carter & Son herd. He is now in service with his champion son, Sunset Bounce.

Although Cruggleton Bounce is still in the prime of his life and his career as a sire is a long way from ended, he has already achieved such great success that he is recognized as one of the greatest improvers in breed history. Study the records of his get in the leading show rings. Study the records of his calves in the herds of those who have bought them. Then you will buy his sons and daughters in this sale with utmost confidence. This offering contains 4 sons and 4 grandsons as well as 11 daughters and 6 granddaughters.

Edellyn Royal Leader 22d 2247151—Elcona Farms bought this product of the famous Edellyn Royal Leader-Calrossie Mercury cross at the top price of \$6,500 in the June, 1945, Edellyn Sale. In the years succeeding, he has proved himself a worthy representative of this blood. He has shown that he can produce both good bulls and good heifers, an achievement which cannot be claimed for many herd sires. His sons and daughters have been in constant demand at good prices. The excellent show record of his calves was climaxed at the 1949 International when, in competition with the progeny of 102 sires in the individual classes and the Get-of-Sire, the average placing of his offspring was in second position, being bettered only by that of the sons and daughters of his own sire, Edellyn Royal Leader. With 51 exhibitors in all classes, both individual and group, the entries of Elcona Farms, all by Edellyn Royal Leader 22d, ranked first. His 1950 record was also impressive and so far in 1951 he has been maintaining his position as a top sire. A son and 8 daughters will sell in this sale.

Sunset Bounce 23d 2546606—The remarkable achievements of four calves by Cruggleton Bounce at the 1948 International focused our attention on his sons in the Carter herd. This quartet together won the coveted Get-of-Sir award and individually, or in pairs, added the Reserve Grand Championship and five other first prizes. The achievement gave us the determination to own the best son of this famous sire and we believe we have him in Sunset Bounce 23d. Cruggleton Bounce himself was second Reserve Champion at Perth in 1946, defeating 390 other bulls for that honor. His Sire, Cruggleton Aircraft, won the same position in the 1944 Perth show and sold for \$12,750. Cruggleton Perfect sired the 1949 Supreme Champion at Perth, which sold for about \$30,000. The dam of Sunset Bounce 23d comes from ancestors whose records are equally impressive. Calrossie Fearless is generally regarded as one of the greatest sons of Calrossie Control. The two grandsires of his dam were Collynie Royal Leader and Naemoor Jasper. The entire pedigree of this young bull is filled with names of animals that have made history.

Elcona Campeon Leader 2573856—The dam of this young bull is regarded by many visitors to Elcona as the best cow in the Elcona herd. Her sire, Edellyn Campeon Mercury, made a phenomenal record at Sni-A-Bar Farms. His most noted son was Sni-A-Bar Control, champion wherever shown during his entire show career. Another son, Sni-A-Bar Randolph won the Reserve Championship at the International twice, in 1946 and 1947, being defeated in 1946 only by Control. This double infusion of Calrossie Mercury blood, with Edellyn Royal Leader at the top, represents, to an intensified degree, the combination of blood lines that has been the most consistent producer of good Shorthorns in America. Paymaster Stamp was another of the great bulls at Sni-A-Bar and added appreciable strength to this pedigree. The fourth generation of Elcona Campeon Leader's pedigree includes these famous sires, Bapton Crocus Leader, Balthayock Grand National, Calrossie Control (twice), Sultan Browndale, Bapton Boxing Day, Walshford Paymaster, and Baronet.

Elcona Elvin 2568116—In the December, 1950, issue of the Scotch Shorthorn Record, nearly three full pages are devoted to the story of "Bertie" Marshall's achievements as a Shorthorn breeder. The account is summarized in the statement, "He is recognized as one of the greatest stockmen of the age." Every ancestor in the first three generations of Elcona Elvin's pedigree was bred by "Bertie" Marshall, except one. The sires back of this young bull have all made notable records, which have helped to enhance the reputation of Cruggleton. When Les Mathers bought Lavender Queenie for us, he said that Marshall was depending a great deal upon Cruggleton Elvin, sire of the calf she was carrying, to maintain the great tradition and reputation which he had built up over the years. Les, himself, regarded Elvin very highly and when Johnny Blume returned from his trip to Perth this year, he was equally enthusiastic in his praise of this bull. Elcona Elvin is a worthy representative of this illustrious ancestry.

Bapton Commando 3rd—We purchased this great, young, imported-in-dam bull from Otis Carter when he was a young calf and the promise he displayed at that time has been fulfilled. His pedigree is packed with history-making sires. His calves are exceptionally short legged, thick, deep bodied and have been greatly admired by all visitors to Garsons Farms. A bull and a heifer by him are to be sold and several females will have his calves at foot or will carry his service.

Roan, John N. Reid

HHF Benefactor Bounce is the new junior herd bull at Garsons Farms and we consider him to be one of the best sons of the famous Imp. Cruggleton Bounce. His dam is an excellent imported cow sired by Calrossie Benefactor. Although we have no calves by him as yet, he is being used liberally and his service will be a feature of our offering. We are certain that he is the best bull ever used at Garsons Farms.

Left—Mr. and Mrs. B. Hollis Hanson, owners of Hanson Heights Farms.

Here's the folks
you'll buy from
in this sale . . .

Left—Jay Lyons, manager of Elcona Farms, proudly displays an imported-in-dam daughter of Pittodrie Landmark.

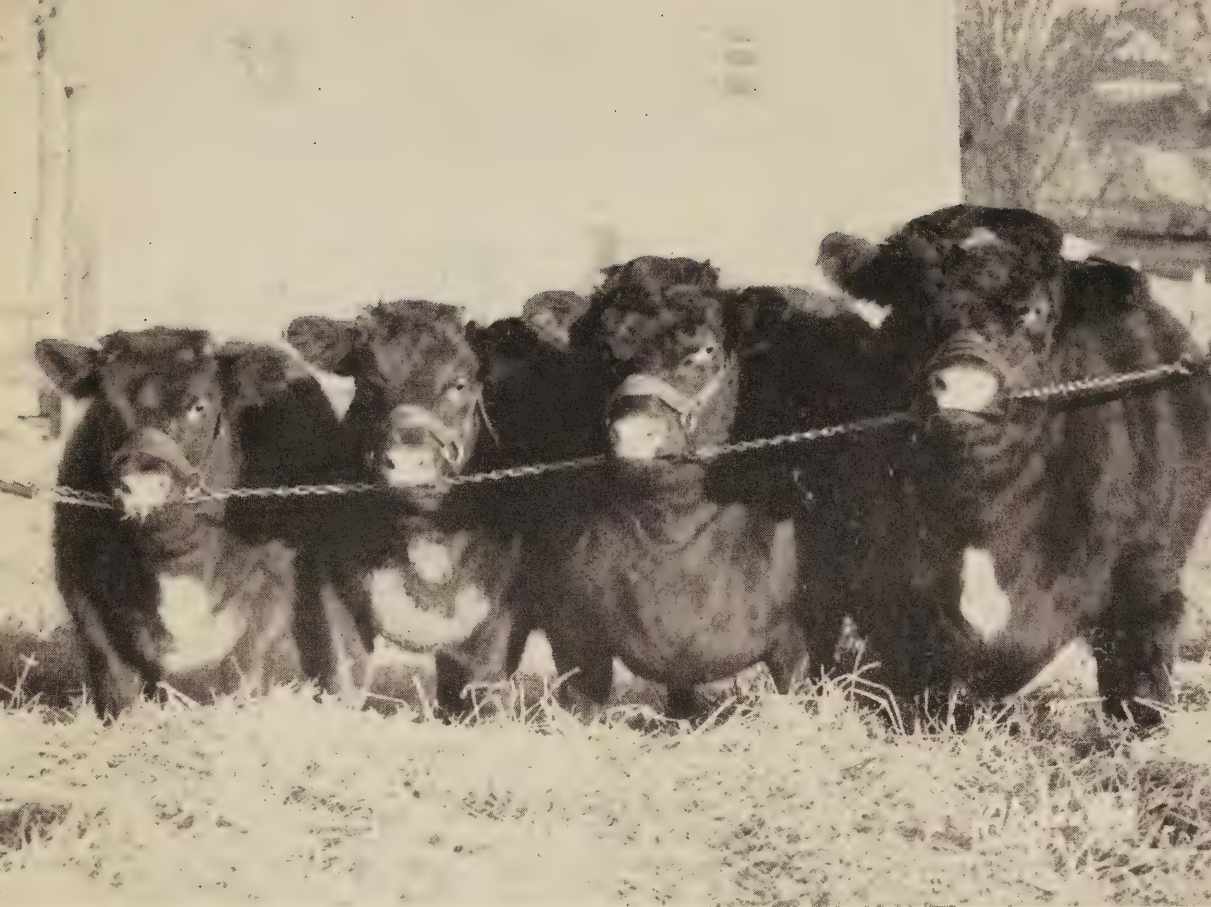

Ernest M. Sims, owner of Elcona Farms.

Left—Bert Johnson, manager of Hanson Heights Farms.

The trio from Garsons Farms: Elmo Richey and Cal Richey owners, at the left and right, and Clem Ridgeway, manager in the center.

These four calves by Imp. Cruggleton Bounce won first prize in get-of-sire class at the 1948 International Live stock Show. Other winnings of his calves at that show included the reserve bull championship and first prizes for summer yearling bull, two-bull group, summer yearling heifer, bull and female and pair of yearlings. Throughout the 1949 and 1950 show circuit his calves have been equally prominent winners.

HHF Reliant Bounce—A full brother to Sunset Bounce 14th that was junior herd sire in the Elcona herd prior to his untimely death. His sire, Cruggleton Bounce, was second reserve champion in 1946 at Perth. Cruggleton Perfect sired the 1944 Perth champion. Here is a good bull for anyone wanting a bull of individual excellence, combined with pedigree prestige that has been proven.

HHF Leader Bounce—Sunset Bounce is the sire of this remarkable young bull. Cruggleton Bounce and Edellyn Royal Leader have established noteworthy places in the realm of good sires. This quality red bull is from a Sunset Bounce-Royal Leader cross and both his sire and dam carry the blood of Cruggleton Perfect. Princess Doreen by Cruggleton Perfect was indeed a great cow. Here is a prospective herd bull that is a worthy sample of our productions.

Elcona Jolly Research—Glassingall Research was shown successfully by Les Mathers for three years and won many championships. He achieved the unusual distinction of placing first in class three times in succession at the International. Drynie Countess Farewell 9th is one of several importations brought in by Les for Elcona in 1949. Her sire, Saltoun Jolly Tar, made a fine record for Mr. Fletcher and her grandsire, Cruggleton Perfect, was one of the greatest bulls bred by Bertie Marshall. He sired the 1949 Supreme Perth Champion, which sold for about \$30,000.

Elcona Banner Leader.—The dam of this young bull is by Edellyn Campeon Mercury, and is a half sister of the mother of Elcona Campeon Leader, one of Elcona's present junior herdsires. Particulars of this breeding are given in the notes with his pedigree earlier in this catalog. This is another pedigree showing a double infusion of Calrossie Mercury, with Edellyn Royal Leader at the top. Craggleton Aspiration was a Marshall bred bull, that made a fine record at Sni-A-Bar. A full sister of Elcona Banner Leader has been in the Elcona show herd for two years. In 1950 she won her class at Indiana, in the Gold Medal Show, was fourth in the open class there and placed third in class of the National Show in Memphis.

Elcona Bounce.—Sunset Bounce 14th, by Cruggleton Bounce, was bought from Otis Carter when he was five months old at a price of \$4500. He was selected, after a careful search, to use on the daughters of Edellyn Royal Leader 22d. He developed splendidly but unfortunately died just as he was being put into service. This son is being sold only because we have Sunset Bounce 23d, also by Cruggleton Bounce, and out of a cow closely related to the dam of the 14th. The dam of the Fourteenth is a granddaughter of Calrossie Fearless, while the mother of the Twenty-Third is a daughter of that best son of Calrossie Control. The maternal grandsire on the Fourteenth was Bapton Commando, seven of whose sons sold at Perth for an average of \$6200. His sire was Bapton Upright, whose offspring in three years yielded a total of about a quarter million dollars. Scotsdale Cora Pauline, the dam of Elcona Bounce, is by OAC Mayflower's Ransom, the chief sire in Stewart Bennett's herd, that has produced so many champions for his owner. One of these is Scotsdale Bombardier, 1948 International Grand Champion.

Elcona Emma 6th—Elcona bought the dam of this heifer from Miles of View Farms for \$700. Her first calf, Elcona Emma, was purchased by Edellyn Farms in the Shore Acres-Elcona Sale in 1942, at the top price of \$1,125. Another daughter sold to Dr. O. W. House in the second joint sale of these two breeders in March, 1946, at the same figure. Edellyn bought the third heifer for \$700 in the November, 1947, Elcona sale, the fourth went to Mr. Page's Unadilla Farm, at Chadwick, Illinois, for \$650 in the 1949 fall sale of the Indiana Shorthorn Breeders' Association, and the 5th went for \$1000 in the Elcona-Hanson Heights Sale last fall.

A sweet quartet from Elcona Farms, all selling in this auction. From left to right: Elcona Emma 6th (Lot 32), Glenburn Lady Dorothy 4th (Lot 33), Elcona Blossom (Lot 34), and Pine Grove Gloster 22nd (Lot 35).

Glenburn Rosewood 26th.—Phopachy Diplomat is the chief herdsire of the famous Deacon herd. He was sired by the 4700 guinea Naemoor Marshal and is out of a dam whose top sires are those of the great Kirkton Baronet. Except for one sire, his pedigree is the same as that of the 2000 guinea Kirkton Envoy, sire of Lawton Nelson, 6600 guinea reserve supreme champion of the 1950 Perth show. The fourth generation of his ancestry includes Craggleton Perfect, Collynie State Express, by Aldie Conqueror, and Calrossie Broadhooks Bounty, by Calrossie Control. Glenburn Rosewood 26th was in the 1950 Deacon show herd and her dam was a consistent show winner.

Klaymor Princess Royal 31st—This heifer is intensely bred in the blood of Collynie Royal Barrage, whose record is unsurpassed in modern Canadian Shorthorn history. Many of his sons and daughters have come to the United States, where they have turned in impressive performances, among the most notable being Klaymor Footprint, great herdsire at Marellbar. Jim Russell retained Fingerprint for service at Klaymor. The fourth sire in this heifer's pedigree is Calrossie Grand National, famous MacGillivray bred bull.

Elbrawl Martha 2d.—Percy Law has attained a high place among the Shorthorn breeders of Canada. Klaymor Freebooter, grandson of Collynie Royal Barrage, has sired many of the best cattle produced across the border in recent years. Mount Banker was the reserve supreme champion of the 1945 Perth show, where he sold for 4000 guineas. He is the sire of Kelburn Banker Royal, Champion of the 1947 International, bought there by Black and Miller for \$9100. Kelburn Climax, sire of this heifer, is the first bull calf by Mount Banker and was purchased by Mr. Law for \$5000. The second son now heads the Beath Farms herd in Ontario. A full brother of this heifer was Junior and Reserve Grand Champion at the Canadian National Exposition.

The three heifers at the left will sell. From left to right: Millgate Beauty 6th (Lot 42), Pine Grove Countess 21st (Lot 43), Millgate Duchess 4th (Lot 44), and Elcona Rita 4th.

Elcona Orange Blossom 2d—Klaymor Comet was a successful herdsire in the T. Dorsey Jones herd. His sire, Collynie Royal Barrage made a record for Jim Russell that has few parallels in recent Canadian Shorthorn history. Larbert Templar is mentioned in the footnote with Elcona Blossom, Lot 34 in this catalog.

Edellyn Glen Forester has been used with great success in the Garsons Farm Herd. Six beautiful daughters are offered in this sale.

Spicy's Killearn—A good granddaughter of Killearn Max 5th out of a very good cow bred by Ed Beals. She sells with a very choice February 26, 1951, heifer calf by Bapton Commando 3rd and was rebred on July 27, 1951, to Edellyn Glen Forester.

Standard Guarantee of the American Shorthorn Breeders' Association

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's disease of the state or country into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this Sale will be backed by the above Standard Guarantee.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calthood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.
